### **A Note From Pastor Andrew**

Recently I have been speaking with Monica from Salem Lutheran in Flint. We hear on the news or if we travel to Flint about the crisis, really the disaster, that is happening, but when you talk with someone that is "on the ground," the reality of what is happening becomes so real. Salem is one of the places that is providing help to the city. They receive semi-trucks full of water to distribute to the community. This water is projected to last one to two weeks by the powers that be, the supply lasts two hours. God calls us, Christ calls us to help and provide care where it is needed. Flint needs all the help it can get. Water is just the tip of the iceberg when it comes to the issues the people are facing. It is time for us to be the justice and loving hands of God and do something. We will start by volunteering to hand out water along with Salem Saturday February 27<sup>th</sup> at 10am. We will meet here at CTK at 9:15 to make sure everyone is on the same page for where we need to be and how we'll get there. If you are unable to make this, I encourage you to seek out how you can help the people of Flint. The media is providing us a reminder of what's happening, but the truth is the national, state, and local help isn't going far enough, not to mention it's all coming to an end. Let us be the Body!!! Sign-up or let me know if you'd like to help in anyway.

God Bless,

Pastor Andrew
